STATE COMPETITION **Teams Advancing to State Competition**

CONGRATULATIONS! Your team has qualified for State Competition! After the initial excitement, you settle into the reality that now you must prepare your team for the next level of competition. Thoughts about arrangements, raising money, scheduling transportation and the idea of traveling with 9 teenagers may distract you. The following information is intended to help answer questions you may have so you and your team will get the most from this challenging and rewarding experience.

TEAM REGISTRATION

Information and registration documents will be available to you via the State Competition page of our website www.pageinc.org/gad. This page will have all the information you need to plan for participating in the State Competition. It will contain general information, a competition schedule, forms, maps, etc. **It is important to register your team, complete, and submit, e-mail, fax or mail all forms in a timely manner.** The due date is early in February. It is important that forms are accurate and received on time (e.g., student registration, GPA worksheets, transcripts). A fee of \$100 will be charged for teams participating in State Competition. This fee is designed to help cover the cost of Georgia's USAD National representatives' competition registration fees.

HOTEL

At this time, we do not have a block of rooms at any one hotel in the competition area. You may make reservations at any hotel in the area.

MEALS

Meals usually provided for team members and coaches during State Competition include dinner on Friday (in KSU cafeteria), hotel breakfast on Saturday (verify serving times at hotel check-in), lunch on Saturday (in KSU cafeteria), and snacks during the day. Additionally, tickets for the awards banquet may be reserved at no charge for up to nine team members and two coaches. You may purchase tickets for alternates, additional coaches, and other guests. All tickets must be purchased/reserved in advance and no one will be admitted to the banquet without a ticket. **Nine team members and two coaches can be seated together at the same banquet table. If complimentary banquet tickets are requested and NOT used, the team will be charged for the price of the meal.** We will make every effort to seat additional team members and guests close to the team table but we cannot guarantee it.

TRANSPORTATION

Teams are responsible for their own transportation to and from the competition site.

TEAM IDENTIFICATION – TEAM MASCOT

Some teams like to have team uniforms (t-shirts, blazers, etc.). This is up to the team members and coach(es). However, apparel selected for state competition cannot be distracting to other decathletes.

Selecting a team mascot is up to the team and coach(es). Team mascots must be safe (presenting no potential hazard to themselves or other decathletes) and should be no longer than an official football.

GENERAL

At the state competition, when students are not scheduled for competitive events, their time can be used for last minute studying, practicing speeches and interview techniques, or meeting and making new friends. Students and coaches will look back on their trip to the state competition as one of the highlights of the school year.

Code of Student Conduct

The PAGE Georgia Academic Decathlon expects all team members to conduct themselves in a proper manner while attending Academic Decathlon events. This includes travel, hotel, sightseeing time associated with Decathletes' participation in the PAGE Georgia Academic Decathlon, and all of the state competition events.

Appropriate conduct of team members is the sole responsibility of the team coach who has legal responsibility as chaperone for his/her team members at all times. Students should be under the supervision of the coach during all excursions, activities, and in the hotel. All students are expected to be in their rooms by 11:00 pm on Friday night of the competition. If behavior in the hotel is disruptive, an earlier curfew may be called either by the GAD State Director or by the hotel management. It is the responsibility of the team coach to be available and to enforce such a curfew and any other regulations determined necessary by PAGE GAD officials.

Inappropriate conduct includes, but is NOT limited to:

1. being in possession of any weapon;
2. damage to or vandalism of any property;
3. appropriation of memorabilia from the hotel or competition site premises;
4. use of alcohol or illegal drugs by students, regardless of age;
5. use of water pistols, water balloons or any other projectile at the hotel or competition site; and
6. fighting, loud noise, or any other behavior which is disruptive to others at the hotel or competition site.

Financial liability for all damages incurred by actions of a team member shall be the sole responsibility of that team member and his/her parents. Failure to comply with the Code of Student Conduct may result in disqualification from the event, the entire competition and the awards ceremony.

Appropriate conduct includes academic honesty. It is the expectation that all decathletes will compete fairly and honestly. This extends to and includes all forms of plagiarism in essays, prepared speeches or any other submitted work. Plagiarism includes but is not limited to

- Direct quotation without use of quotation marks and appropriate citation
- Using any published or unpublished source without appropriate citation
- Paraphrasing materials or ideas without identifying the source.

Any findings of academic dishonesty may result in disqualification of individual decathletes or possibly an entire team.

The decision of the PAGE Georgia Academic Decathlon State Director is final.

Dress Code

Appropriate attire for **Speech and Interview**, and the **Awards Banquet** is described below. Distracting apparel of any kind is considered inappropriate for all competition events.

The following are suggested and acceptable student dress standards:

Boys: sport coat, shirt and slacks; sweater, shirt and slacks or jeans without torn or ragged edges. Shoes must be worn.

Girls: Dress or skirt and blouse; blouse and slacks, or dressy jeans without torn or ragged edges. Shoes must be worn.

For all competition events, team uniforms for both boys and girls are optional. Excessively tight, baggy or revealing clothing is inappropriate. Pajama pants are inappropriate.

Distracting apparel, **including hats** of any kind and sunglasses, are considered inappropriate. (Any student who wears head apparel or sunglasses for religious reasons or other approved reasons will be exempt from this rule. However, the coach must list the student on the Request for Special Needs/Consideration form by the published deadline.) If violations of the dress code are observed by the test proctor or PAGE GAD officials, the student will be given the opportunity to comply with dress standards prior to the event. Once a student has been allowed to compete in an event, he or she may NOT be disqualified based on dress standard violations but permitted to comply with the dress standards.

Failure to comply with dress standards may result in disqualification from the event, the entire competition and the awards ceremony. The decision of the PAGE Georgia Academic Decathlon State Director is final.

STATE COMPETITION – IDENTIFICATION NUMBERS

Following receipt of team registration for state competition, each team is assigned a team number (10-50) that becomes a part of each decathlete's identification number on his/her name badge. Each member of the decathlon team is also assigned a number (01-09). The three Honors team members are assigned the numbers 01, 02, 03. The three Scholastic team members are assigned the numbers 04, 05, 06. The three Varsity team members are assigned 07, 08, 09. Up to three Alternates of any category will be assigned numbers 10, 11, 12. The complete identification number for each decathlete has two parts; the team number followed by the student number for that team.

For example: Richmond County may be assigned a team number of 18. John Doe, who is a Scholastic team member may be assigned 05 for his team. John Doe's identification number is 1805.

This unique identification number is used throughout the competition on all test answer forms, for Super Quiz Relay scoring, and for Speech, Interview and Essay judging forms.

Schedules for Speech and Interview will use the decathlete ID numbers to show in which room/table they will be participating. Students should NOT go directly to the room/table, but check-in at the appropriate area for that event. Schedules, including check-in times and locations will be included on the website prior to competition and in the handbook that is provided for each attendee.

Decathletes should know their ID number, assigned competition room/table and color so that they can double check that they are competing in the correct location. All of this information will be printed on the competition name badges.

Students should NOT report directly to their room, but check-in at the Speech Up or Speech Down check-in table. They will be directed to their room at the appropriate time.
